

MAN 1: I love the fact that I've created something. I've made something that is changing the world.

INSTRUCTOR: If you've ever thought of starting a new venture, this course is for you.

WOMAN: I guess I've always been a little bit of a rebel and wanted to try and do something different.

INSTRUCTOR: It's all about how you take that idea and move it to the reality of a business.

MAN 1: I'm sort of in charge of my own fate, which is terrifying. But it's so nice to feel in charge of my own life.

INSTRUCTOR: We've included lots of input, lots of tips and advice from entrepreneurs who have done just what you want to do.

MAN 2: It's kind of like getting married. It's going to be difficult along the way, but it's rewarding in the end.

INSTRUCTOR: They've started with an idea and now they're running a business.

WOMAN: And my to do list is, like, this long. And I think, oh, God, can I do it?

MAN 3: We love what we do.

INSTRUCTOR: So whether you have a passion, a hobby, or a real driving ambition to build a business, the course will help you to understand what you need to do to make the business a success.

MAN 3: Just try something. Give it a go.

INSTRUCTOR: So you can change the world, whether it's for yourself, your family, or your community. Follow the advice from others who've been there and done it, some successes and failures to help you learn along the way.

MAN 2: Personally, I think it's been amazing because it's been challenging.

WOMAN: It's made a difference. And that's what gives me that real kind of thrill, that we're doing the right thing.

MAN 1: When you look back and take stock of what you've done, how you've done it, and how that's changed you, it'll all be worth it, whatever you have to go through to get there.
