Taylor Swift - Look What You Made Me Do

Lyrics:

I don't like your little games. Don't like your tilted stage. The role you make me play, the fool.
No, I don't like you.

I don't like your perfect crime. How you laugh when you lie. You said the gun was mine isn't cool, no, I don't like you.

But I got smarter, I got harder in the nick of time. Honey, I rose up from the dead, I do it all the time. I've got a list of names, and yours is in red, underlined. I check it once, then I check it twice.

Ooh, look what you made me do. Look what you made me do. Look what you just made me do. Look would you just made me—

Ooh, look what you made me do. Look what you made me do. Look what you just made me do. Look what you just made me do.

I don't like your kingdom keys. They once belonged to me. You asked me for a place to sleep. Locked me out and threw a feast. What?

The world moves on, another day another drama, drama. But not for me, not for me, all I think about is karma. And then the world moves on, but one thing's for sure. Maybe I got mine, but you'll all get yours.

But I got smarter, I got harder in the nick of time, nick of time. Honey, I rose up from the dead, I do it all the time, all the time. I've got a list of names and yours is in red, underlined. I check it once, then I check it twice, oh.

Ooh, look what you made me do. Look what you made me do. Look what you just made me do. Look what you just made me do.

Ooh, look what you made me do. Look what you made me do. Look what you just made me do. Look what you just made me do.

I don't trust nobody and nobody trusts me. I'll be the actress starring in your bad dreams. I don't trust nobody and nobody trusts me. I'll be the actress starring in your bad dreams. I don't trust nobody and nobody trusts me. I'll be the actress starring in your bad dreams. I don't trust nobody and nobody trusts me. I'll be the actress starring in your bad dreams. I'm sorry, but the old Taylor can't come to the phone right now. Why? Oh, because she's dead.

Ooh, ooh, look what you made me do. Look what you made me do. Look what you just made me do. Look what you just made me do.

Ooh, look what you made me do. Look what you made me do. Look what you just made me do. Look what you just made me do, ooh.

Look what you made me do. Look what you made me do. Look what you just made me do. Look what you just made me do. Ooh, look what you made do. Look what you made me do. Look what you just made me do. Look what you just made me do.

[APPLAUSE]

TAYLOR SWIFT 2: You guys.

TAYLOR SWIFT 3: Stop making that surprised face, it's so annoying.

TAYLOR SWIFT 4: Yeah, you can't possibly be that surprised all the time.

TAYLOR SWIFT 1: What's with that bitch?

TAYLOR SWIFT 3: Don't call me that.

TAYLOR SWIFT 5: You all.

TAYLOR SWIFT 6: Oh, stop acting like you're all nice. You are so fake.

TAYLOR SWIFT 7: Oh, there she goes, playing the victim again.

TAYLOR SWIFT 8: [HISS]

TAYLOR SWIFT 9: What are you doing?

TAYLOR SWIFT 10: Getting receipts. You're going to edit this later.

TAYLOR SWIFT 11: I would very much like to be excluded from this narrative.

EVERYONE: Shut up!
