

Reading Political Philosophy: From Machiavelli to Mill

The history and development of political philosophy has been dominated by many inspirational and radical thinkers. The tracks on this album offer both an introduction and an in-depth insight into the leading theorists in this field and their most important works. In a series of lively and invigorating discussions, leading political philosophers examine canonical texts and seminal thinkers from the Seventeenth to the Nineteenth Century, highlighting their intellectual and cultural impact and the context in which the texts were originally written. This material forms part of the course AA311: Reading political philosophy, from Machiavelli to Mill.
