

## International development: challenges for a world in transition

*Education children through drama and song*

Children (*subtitles*)

Boil drinking water!

Keep the environment clean!

Wash your hands before you eat!

Wash your hands after the toilet!

Children sing together (*subtitles*)

Water that hasn't been boiled...I'll never drink it again.

Monkeys and baboons swim in that water.

Boy (*subtitles*)

These are sandals...so the germs don't get you

Harriet Mkilya (*subtitles*)

Do you hear him! He wears sandals on his feet! So the germs... don't get him.

So where should we wear shoes?

Boy (*subtitles*)

In the toilet

Harriet Mkilya, HPA Facilitator

The children learn more quickly, and they don't forget easily. And they also put their what they have learnt in practice. They use it.
